

Dear FCC,

I strongly urge you to reject the National Association of Broadcasters' petition 04-160. I greatly benefit from listening to XM Satellite Radio and its traffic and weather channels. Satellite radio provides variety and quality that are not available any where else. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. Please, I urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Sincerely,

Sally Brown
